

7th Annual Philadelphia Flower Show Tour Organized by Washington Gardener Magazine

Thursday, March 8, 2018, 10:00AM-10:00PM

Leaving and returning from Behnke Nurseries, 11300 Baltimore Ave., Beltsville, MD
The Philadelphia Flower Show is the oldest and largest indoor flower show in the world. The theme for 2018, "Wonders of Water," will celebrate the beauty and life-sustaining interplay of horticulture and water. America's leading floral and garden designers will create tropical jungles, temperate forests, native woodlands, and arid landscapes, showcasing the astounding plants that thrive in each environment, from exquisite orchids and flowering vines to luminescent desert blooms. A new attraction, "America's Backyard," will offer smart ideas for outdoor living and conservation tips for the home garden. The Flower Show attracts non-gardeners as well as die-hard green-thumbed people of all ages. First-time and returning riders will enjoy the welcoming, custom details of our coach service.
